# ABOUT TREY

**"MY PURPOSE IN LIFE IS TO POSITIVELY TOUCH PEOPLE IN AN UNFORGETTABLE MANNER THROUGH MY MUSIC; ONE NOTE AT A TIME."**

Born at just 2 lbs. 8 ounces, Trey was unable to use his own lungs to breathe. He says-- "It's truly a miracle that I am able to do what I do today and also the reason I perform with such passion, energy, and honesty."

Trey's divine blessings have abounded throughout his career thus far as he experienced numerous career breakthrough's.

His original single "86th street", an infectious, funk-filled track on his debut album EVOLVE reached #24 on the Billboard Smooth Jazz chart. Trey Daniels served as the solo Saxophonist for Anita Baker's Farewell Concert Series Tour. Trey continues to be one of the world's premier National Anthem performers for the MLB, NBA, and NFL.

Trey's message has always been: "Everything you are looking for is already inside of you. Hone into your craft and turn your passion into purpose." In addition to his distinct retro-meets neo soul/funk trademark sound, Daniels focuses on sizzling horn textures, mystical exotica, hints of straight-ahead jazz, touches of R7B and Hip-Hop, and even classical arts.
